playercode - Microsoft Internet Explorer

Player Code

(You may want to print this page)

Explanation:

The player code is a series of digits that you can type in to query the system to find a specific player from a series of teams. The player code consists of a key indicating a player's gender ("G" for girl or "B" for boy), the player's initials, the player date of birth (MMDDYY format), and a check digit which will be used in case multiple players exist (such as might occur in the case of twins).

Example:

You wish to obtain on your roster a player named "John Adams", a male player born on October 21, 1992. The resulting player code would be **BJA102192A**.

The first character (**B** J A 102192A) signifies that this is a male player. The second character (**BJA102192A**) signifies the first initial of the player ("J"-ohn). The next character (**BJA 102192A**) signifies the last initial of the player ("A"-dams). The next six characters (**BJA102192A**) represents the birthdate for the player in Month/Day/Year (MM/DD/YY) format without separator characters. The final digit (**BJA102192A**) represents that this is the first player in this club of this gender, with these initials, born on this birthdate. In almost all circumstances, this will be an "A".

Confirm Game w/ Refs

- 1-2 weeks out check online schedule to make sure you have refs scheduled

If you don't have enough refs, start by calling some of the locals to see if they're available. If you are unsuccessful, let Zuheir, Delaware's ref coordinator know: dralidib@aol.com. Three days out you may email Tom Conger (or other current Moss1 ref coordinator found in packet) In a worst case scenario, you may call other DSSC teams to see if they have a certified, age appropriate ref who could switch to your game.

- 3 days out call/email refs to confirm game

Game Changes

Before you attempt to reschedule a game, please refer to Moss1 guidelines; you don't want to have to forfeit a game

All game change requests must be approved (difficult to do) by moss1 since it also requires rescheduling fields and refs. Primarily they only accept changes if there is a conflict with a school event and you are unable to field enough players to make a legal game

Remember that rain isn't a reason to reschedule, unless it is a thunder/lightning storm and/or you hear specifically that the fields are closed

Dear Applicant:

Our letter dated August 2004, stated you would be exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code, and you would be treated as a public charity, rather than as a private foundation, during an advance ruling period.

Based on the information you submitted, you are classified as a public charity under the Code section listed in the heading of this letter. Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(3) of the Code.

Publication 557, Tax-Exempt Status for Your Organization, provides detailed information about your rights and responsibilities as an exempt organization. You may request a copy by calling the toll-free number for forms, (800) 829-3676. Information is also available on our Internet Web Site at www.irs.gov.

If you have general questions about exempt organizations, please call our toll-free number shown in the heading.

To Whom It May Concern:

The Delaware Youth Athletic Association is a 501 (c) (3) not-for-profit corporation operating the state of Ohio. Our Employer Identification Number is 27-0090141. Our DLN number is 17053278716018. Our Public Charity Status is 509 (a) (2).

In response to the growing interest and popularity of youth soccer throughout Central Ohio, the Delaware Youth Athletic Association (DYAA) was established in 1975 to organize, promote, train, administer, and educate amateur youth soccer players, coaches and referees, and to encourage good sportsmanship and fair play of all the participants therein.

Specifically, DYAA was formed to serve children and youth of the Delaware, Ohio community by organizing a) recreational and b) select/club soccer teams who both practice and play games in designated age brackets during the spring and fall seasons.

The select/club program for DYAA is referred to as the Delaware Select Soccer Club (DSSC). Each DSSC team is owned and operated by DYAA and each is authorized to conduct business under the name of The Delaware Youth Athletic Association. Therefore, each DSSC team is authorized to use (and frequently uses) DYAA's tax identification number and tax-exempt status.

Finally, be advised that Mr. Bradd Smiley is DYAA's Director of the Delaware Select Soccer Club. As such, he is authorized to represent DYAA in any matters pertaining to the Delaware Select Soccer Club. We appreciate the opportunity to work with you in our fund raising efforts and please feel free to contact me should you have any questions in this regard.
